

How to Check WordPerfect Version

STEP 1: Open WordPerfect

STEP 2: Go to the **Help Menu** or click <F1>

STEP 3: Select **About WordPerfect**

STEP 4: The version is found beside the product name (in the example below, X8). It is also found by identifying the first two digits of the version number

- NOTE: Ensure you are on the correct Version
 - E.g. 18.0.0.200 (= X8)
